ABOUT ME

I am a dedicated and results-driven professional with over 3 years of experience in renewable energy, administration, IT support, and automobile industries. Throughout my career, I have held key roles, where I consistently delivered high-quality outcomes in fast-paced environments.

My core competencies include:

- 1: Project coordination and team supervision
- 2: Customer service and relationship management
- 3: Technical skills in solar installation, electrical wiring, system troubleshooting, car diagnostics and repairs among others.
- 4: Sales and client engagement
- 5: Strong communication and documentation skills

I have a proven track record of improving operational efficiency, supporting strategic initiatives, and delivering training and consultation services tailored to client needs.

WORK EXPERIENCE

Hussad Energies

Executive level | Solar installation technician

Abuja , Nigeria

2025-07-01 | Currently working here

As a solar administrative staff at Hussad Energies, I manage client records, schedule site visits, and support the sales and installation teams with documentation and logistics. I coordinate communication between clients and technical staff, ensure timely invoicing, and maintain organized project files. My role enhances operational efficiency and customer satisfaction in solar service delivery.

Paged initiative

Senior level | Graphics designer

Abuja , Nigeria

2025-05-01 | Currently working here

As a graphics designer at PAGED Initiative, I created visually compelling content for campaigns, reports, social media, and community outreach materials. I worked closely with the communications team to ensure brand consistency and message clarity. My designs helped increase audience engagement and strengthened the organization's visual identity across various platforms.

Julius Berger Nigeria

Entry level | Automotive technician

Abuja , Nigeria

2024-07-01 | 2025-06-01

As an automotive technician at Julius Berger Nigeria, I perform daily diagnostics, maintenance, and repairs on a wide range of cars. I ensure all systems function optimally to reduce downtime and enhance site productivity. I've contributed to major project efficiency by minimizing breakdown rates and ensuring compliance with safety and maintenance standards.

Government Secondary School kofan kibo

Internship & Graduate | Classroom teacher

Zaria , Nigeria

2024-01-01 | 2024-06-01

As a classroom teacher intern at Government Secondary School, Kofan Kibo, I supported lesson planning, delivered instructional content, and assisted with student assessments. I maintained classroom discipline, encouraged student participation, and provided academic support where needed. My role contributed to improved student understanding and created a positive learning environment during my internship.

Paged initiative

Mid level | Administrative staff

Abuja , Nigeria

2023-05-01 | 2024-06-01

As an administrative staff at PAGED Initiative, I provided essential support for daily office operations, coordinated meetings, managed documentation, and handled internal and external communications. I ensured smooth workflow across departments, supported project implementation logistics, and maintained accurate records. My efficiency and attention to detail contributed to timely reporting and improved organizational performance.

EDUCATION

Ahmadu Bello University Zaria

Degree | B.sc Ed Computer Science Education

As a Computer Science Education student at ABU Zaria, I gained strong theoretical and practical knowledge in programming, computer hardware, software applications, and educational methods. I developed skills in teaching ICT, creating instructional materials, and using technology to enhance learning. My academic journey equipped me for both classroom teaching and tech-driven problem-solving.
